

The Fragrance of Grace

June 3, 2007
Pastor Adrian Boykin

Let your conversation be always full of grace,
seasoned with salt, so that you may know
how to answer everyone.

Colossians 4:6

1. Talk about the statement, "The Kingdom does not advance as a fortress or a force, but as a permeating fragrance." What does a "fortress" church look like? What does a church that utilizes "force" look like? Finally, what does a church that attempts to be a "permeating fragrance" look like?
2. Talk about a time when you have received grace from another person. Did it leave you wanting more?
3. Read Colossians 4:6 and 1Peter 3:15 and recall Jesus' interaction with the Samaritan woman at the well. Discuss how these verses might impact the way you share your faith.
4. Memorize Colossians 4:6 or 1 Peter 3:15 this week.
