Pastor Tom Shirk

Through [Jesus Christ our Lord] we have received grace and apostleship to bring about the obedience of faith among all the Gentiles, for His name's sake.

Romans 1:5

For Your LifeGroup:

1. Can you relate to the temptation to compartmentalize your faith? Explain. Which compartment of your life is the most challenging for you to integrate with your faith?
2. Why is there such a strong move in our culture to silence faith's expression?
3. Take a look at these verses and explain how they relate to this week's message: Colossians 3:17; 1 Corinthians 10:31.
How can you apply these verses to question #1?
4. Read 2 Timothy 1:8-18. What are the reasons Paul gives to Timothy to not be ashamed of standing strong in his faith?
5. According to Matthew 5:16, how can your faith be seen by others? What can you do this week to glorify our Father in heaven?
